Andrew Teale, National Leader of Education

**Reason for visit:**

To evaluate progress since the school was last inspected (October 2017).

**5<sup>th</sup> February 2018: Summary of findings**

- The school has made **very good progress**
- The **quality of teaching has improved and is no longer inadequate.**
- **Behaviour** both in and out of lessons **has improved significantly** and the school is now a **calm and orderly learning environment.**
- number of **exclusions** has **dropped dramatically**
- **Behaviour and personal development now require improvement**
- **Pupils' progress has improved rapidly**
- the current **Year 6** class, taught by an experienced teacher from the Weaver Trust, are **making outstanding progress**
- **Standards are rising rapidly**
- **Outcomes are no longer inadequate, but still require improvement.**
- The **school's leaders...** have made a **remarkable difference to the school in a very short period.**
- **Leadership and management are no longer inadequate**
- Nevertheless, **the school's continued success remains fragile as it relies on the support of the Weaver Trust and, in particular, the executive headteacher.**
- **Overall, if inspected today, the school would require improvement.**
