

Creating opportunities to learn, grow and have fun together

Winsford Education Partnership

Winsford Education Partnership referred to as 'WEP' is a well-respected, aspirational, forward thinking and inclusive partnership of thirteen schools that work collaboratively to enhance the learning, wellbeing and opportunities for our children and families who form our Winsford Community. WEP celebrates the wealth of talent and intelligence of our children through the provision of innovative experiences through strategic planning and shared vision. Schools work creatively together, responsive to the needs of our community, to promote lifelong learning through aspirational activities and experiences. Staff across the schools collaborate, support, alongside sharing good practice and expertise in order to provide the very best for our young people.

All thirteen schools within our town of Winsford are represented from Secondary to Primary, special to mainstream.
