

1. Statement of Intent

Weaver Trust will respect the confidentiality of those with gender re-assignment and will provide a supportive environment within the social community.
- 3.7 Weaver Trust is opposed to all forms of prejudice and recognises that children and young people who experience any form of prejudice related discrimination may fare less well in the education system.

4. Objectives

4.1 Whilst continuously aiming to improve the implementation of equality related policies and procedures, Weaver Trust has established the requirement for all schools to create, set and monitor equality objectives within their strategic school development plans that foster greater equality amongst its pupils and staff, including the following:

- Monitor, assess and track all pupils, identifying underachievement and implementing appropriate strategies.
- Implement effective strategies to support pupils in all vulnerable or other defined groups.
- Improve the quality of support for pupils in all vulnerable or other defined groups.
- Ensure all pupils are able to access a full range of extra-curricular activities.
- Continually review the Trust’s Behaviour policy and how it is used to ensure it creates the correct environment to best protect and support pupils in all vulnerable groups in the Trust so that pupils respect one another, feel safe, valued and all are aware that any behaviour away from the expected is challenged.
- Promote equality amongst all of its staff. Individual schools within the Trust will set and measure other specific objectives and targets as appropriate within the SSDPs.

5. Promoting Equality Priorities

5.1 In order to meet our objectives, the Trust has identified the following priorities:

- We will provide auxiliary aids that are directly related to disabled children’s educational needs as a reasonable adjustment so they can integrate wholly in all parts of Trust life.
- Staff will ensure that all pupils are able to take part in extra-curricular activities and residential visits, and the Trust will monitor uptake of these visits to ensure no one is disadvantaged on the grounds of a protected characteristic.
- We will ensure that all forms of prejudice-based incidents and bullying are taken seriously and dealt with equally and firmly.
- There will be differential schemes of work designed to meet the abilities and learning styles of all pupils.
- There is a clearly defined behaviour policy, which will be consistently enforced.
- The Trust will take appropriate steps to meet each pupils’ needs by using a variety of approaches and planning reasonable adjustments for disabled pupils, enabling our pupils to take as full a part as possible in the activities of the Trust.
- The Trust will improve the delivery of written information to disabled children and young people.
- The Trust will seek the views of advisory staff, outside agencies and local Trusts.

- The Trust will consult with stakeholders, i.e. pupils, parents/carers, staff and relevant community groups, to establish equality objectives and draw up a plan based on information collected on protected groups and accessibility planning. These equality objectives will be reviewed and reported on annually to the Board.
- Bullying and prejudice will be carefully monitored and dealt with promptly and accordingly. Regular training will be given to both existing and new staff to ensure that they are aware of the process for reporting and following up any incident of what may be regarded as prejudice-related bullying.

6. Uniform/Dress Policy

- 6.1 The Act does not deal specifically with Trust uniform or other aspects of appearance, such as hair colour and style, the wearing of jewellery and make-up, but the general requirement not to discriminate in the treatment of pupils applies here in relation to other aspects of the Trust policy.
- 6.2 Weaver Trust will ensure that blanket uniform policies do not discriminate because of race, gender, disability, religion/belief or sexual orientation.
- 6.3 We will be sensitive to the needs of different cultures, races and religions and act reasonably in accommodating these needs, without compromising important Trust policies, such as Trust safety or discipline.

7. Curriculum

- 7.1 All pupils will be entitled to access to a curriculum and to teaching and learning opportunities which meet their specific needs, including extra support where this has been identified as a statutory need. APPENDIX 2 – Definitions

Direct discrimination occurs when someone is treated less favourably than others because of a protected characteristic. It also occurs when someone is treated less favourably because of a protected characteristic of someone that they are associated with such as a family member, friend or carer. This is referred to within the legislation is discrimination by association. Direct discrimination by perception, means that an individual is assumed to have a protected characteristic, regardless of whether this perception is correct or not. For example, someone may be perceived as being a particular religion or age.

Indirect discrimination is often more difficult to identify than direct discrimination and sometimes it is not intended and comes about due to lack of understanding of the law or a genuine error of judgment about an individual.

Indirect discrimination involves a ‘provision, criterion or practice’ that involves all four of the following factors: It has, or will have, the effect of putting those who share the protected characteristic at a particular disadvantage when compared to others who do not share the characteristic within the group. It puts or would put an individual at a disadvantage. The discrimination cannot be justified.

Victimisation takes place where one person treats another less favourably because he or she has asserted their legal rights in line with the Act or helped someone else to do so.

Harassment is unwanted behaviour which you find offensive or which makes you feel intimidated or humiliated. It can happen on its own or alongside other forms of discrimination.
